

# CHANCERY ACCOUNTING

YOUR ACCOUNTS BACK OFFICE IN MAURITIUS

# On Demand Accountancy:

## ✓ Complete Outsourcing Solution.

- **Mainstream software** ( eg. Sage, Siebel, Salesforce) can be located either at customer site or CA data centre.
- All or part of the accounting process can be outsourced to suitably **qualified staff**, in real time.
- **High service** level guarantees.

## Step 1:

### ✔ Document scanned by Client

Accountant sends source document via scanner or e-mail.

Document is received instantaneously by the Mauritius accounting back office. Ready for input.

## Step 2:

### ✔ Data Input

All source documents received from 8.00 am to 2.00 pm (UK time) are input into the system within ten minutes of receipt.

Documents received after this time will be in the system 8.00 am the following morning. (Mauritius is GMT +3 hours in summer and GMT +4 hours in winter).

## Step 3:

### ✔ Availability of Information

System makes available within minutes all information through web server access with two main levels of visibility:

- At the Accountant's level.
- At the Customer's level.

## Step 4:

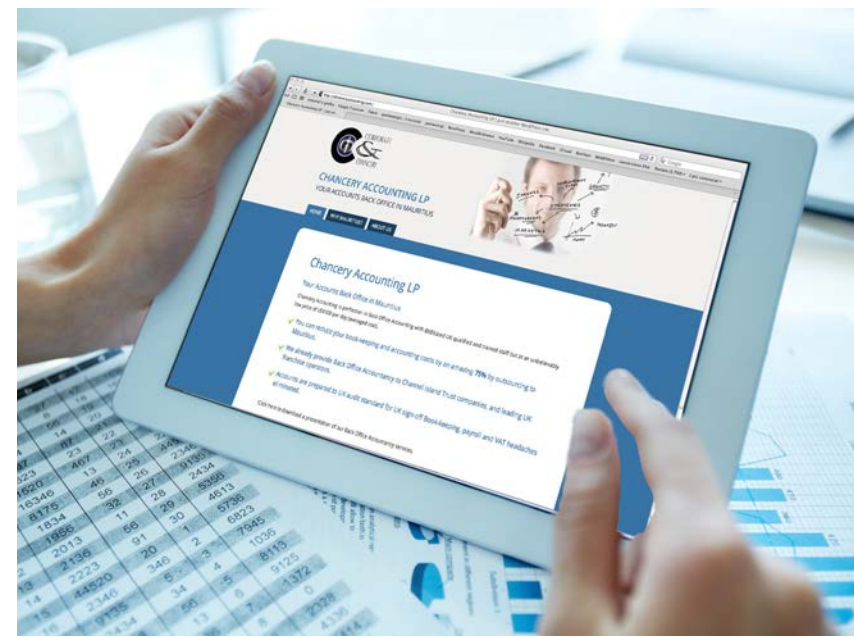

### ✔ Accountant's Level

Easy and quick access to the updated accounts for each and client through the secured [UK server access](#).

Accounts can be viewed and checked at anytime, anywhere...

Reports are available in [PDF format](#).

## Step 5:

### ✔ Customer's Level

Easy and quick access to the updated accounts for each and every client through the accountants' replicated website.

Accounts can be viewed and checked at anytime, anywhere...

Reports are available in [PDF format](#).
